10. (Secret - GLC) Talked with Bill Woodruff, Senate Appropriations Committee staff, and Bob Michaels, House Appropriations Committee staff, about the matter of funding of the Radios pending the approval of our appropriation. They advised that it was their feeling that this should be accomplished by month to month contingency withdrawals from the reserves. These withdrawals would be replaced when action is taken on our appropriations. [redacted] OPPB, has been advised and we will draft appropriate language to accomplish this.

11. (Secret - GLC) Met with Senator Joseph D. Tydings (D., Md.) and advised him of the sensitive connection of [redacted] with the Agency. The Senator has taken a personal interest in [redacted] and offered to be of assistance to him. The Senator appreciated our contacting him, adding that he had no idea of [redacted] possible connection with us. I told him that his interest had been appreciated by [redacted] who would probably be in touch with him in the near future.

12. (Secret - GLC) Made arrangements for J. Sourwine, Chief Counsel, Senate Subcommittee on Internal Security, and two of his associates in the Subcommittee staff to have a conference with [redacted] tomorrow afternoon. [redacted] WH Division, and I will also be present.

13. (Confidential - JGO) Met with Lawrence Baskir, Staff Director, Senator Ervin's Subcommittee on Constitutional Rights, and received from him a copy of the transcript of the Director's appearance before the Subcommittee on Tuesday, 22 July. It was agreed, unless other considerations are interposed later by Chairman Ervin, that this copy will be retained by the Agency and at such time as corrections are completed they will be transferred to the Subcommittee's master copy. No deadline was set for return of Agency corrections. On the matter of deadline, Mr. Baskir noted partially in jest that "since the Agency is obviously reluctant to publish the hearing" he would not set a date on his own authority.

I talked to Mr. Baskir later in the day concerning the classification of the transcript. Mr. Baskir advised that he would stamp the Subcommittee's copy "Confidential" and treat it as classified material. He also advised that he is ordering additional copies for the Subcommittee and will try to provide two additional copies for Agency use.
